12th March 2021

Dear,

I wish to submit an original research article entitled “Rekayasa Praktik pada Sistem Kendali *Gripper* Melalui Robot Transporter Menggunakan *WiFi Module ESP8266*” for consideration by ***InComTech: Jurnal Telekomunikasi dan Komputer***.

I confirm that this work is original and has not been published elsewhere, nor is it currently under consideration for publication elsewhere.

In this paper, I/we report on / show that:

Topic	:	Sistem Kendali dan Komunikasi Wireless
Brief Background	:	Tulisan ini mengenai hasil rancang bangun robot pemindah barang berbasis IoT (<i>Internet of Things</i>) menggunakan <i>WiFi (Wireless Fidelity) module</i> , ESP8266. Sistem kendali robot menggunakan media <i>smartphone</i> terkoneksi melalui jaringan <i>wireless</i> pada saluran <i>seluler</i> 3G atau 4G.
Research Problem	:	Bagaimana merancang system pengendali <i>mobile robot</i> berbasis <i>Android</i> agar memiliki target jarak kendali yang jauh dan mudah untuk diaplikasikan untuk objek ringan (dibawah 1 kg).
Overview of Method	:	Metode penelitian menggunakan Teknik rekayasa kendali <i>gripper</i> dengan lengan robot berfungsi transporter dan mikrokontroler sebagai pengelola perintah yang mengendalikan <i>gripper</i> , serta motor servo sebagai penggerak utama aktuatornya.
Significant finding	:	Uji lengan robot dapat mengangkat beban maksimal 545.6 gram dan jarak maksimal jangkauan adalah 155 meter melalui remote <i>smartphone</i> .

We have no conflicts of interest to disclose.

Thank you for your consideration of this manuscript.

Sincerely,
Sirmayanti

AUTHORSHIP STATEMENT

I wish to submit an original research article entitled “Rekayasa Praktik pada Sistem Kendali *Gripper* Melalui Robot Transporter Menggunakan *WiFi Module ESP8266*” for consideration by ***InComTech: Jurnal Telekomunikasi dan Komputer***

All persons who meet authorship criteria are listed as authors, and all authors certify that they have participated sufficiently in work to take public responsibility for the content, including participation in the concept, design, analysis, writing, or revision of the manuscript.
