

## MESSAGE FROM THE EDITOR IN CHIEF

The second issue in 2022 of this journal consists of five articles covers various interesting topics. Some articles are the output of a research collaboration between Universitas Mercu Buana and other institutions such as Nano Center Indonesia, Insitut Teknologi Sains Bandung, Universitas Trisakti and National Research and Innovation Agency (BRIN).

We would like to thanks to Dr. Ignatius Agung, Dr. Sagir Alva, Dr. Dafit Feriyanto, Andi Firdaus Sudarma, M.Sc., Prof. Dr. Usman Sudjadi, Alfian Noviyanto, Ph.D, Prof. Dr.-Ing. Yupiter HP Manurung, Assoc. Prof. Dr. Muhaimin Ismoen, Eldwin Djajadiwinata, Ph.D and Dr. Eng. Surachai Karnjanakom to strengthen the Editorial Team. We hope that their contribution will enhance the quality of this journal. In Addition, we thanks to all reviewers for their contribution and knowledge to review the journal in order to meet the requirement of IJIMEAM quality.

Prof. (em.) Dr.-Ing. Darwin Sebayang
